INTRODUCTION

Bob and Jane Cates’ *Comedy in Motion* show combines extraordinary talent with comedy to create and “*amazingly funny*” show. They are headliners on cruise ships, but most of their performances are on land, split between corporate events, galas, banquets and fundraisers, as well as churches, ministry events, and outreaches, **where they often get to share the gospel.**

Bob spent 8 months on the mission field in Lithuania right after university and has been a full time performer ever since.

Jane was a teacher, and the director of children’s ministry at 2 Alliance churches for 10 years.

- They won **ENTERTAINERS OF THE YEAR** at the Canadian Event Industry Awards.
- But the Big news is that they recently **WON Best Variety Act** at the **Canadian Comedy Awards**

Now, please welcome to the stage with a huge round of applause, *Comedy in Motion* with Bob Cates!!!
